

Making the switch to MCLCU is easy!

- Step 1: Establish your checking account at MCLCU.**
If you do not have a checking account at MCLCU, give us a call at (708) 482-9606 and ask to set one up!
- Step 2: Begin funding your MCLCU checking account.**
Establish or switch your direct deposit to your MCLCU checking account.
 - A. To set up your direct deposit, you will need:
 - MCLCU's Routing Number: 271982290
 - Your account number: _____
 - B. You can also fund your MCLCU checking account by completing the:
"MCLCU ACH Origination agreement"
found on the applications & forms tab
- Step 3: Stop actively using the account you are switching from.**
As soon as possible, you should stop using your debit card, writing checks and initializing payments from your old checking account.
- Step 4: Schedule/transfer your automatic payments.**
Use your MCLCU Debit Card or free Bill Pay service through MCLCU's Online Banking to setup your automatic payments for loans, subscriptions and other recurring bills.
- Step 5: Begin using your MCLCU checking as your primary account.**
As you transition to your MCLCU checking account, be sure to leave enough funds in your previous checking account to pay for any remaining automatic payments.
